

Humanities

Key Stage Two

Curriculum Overview

In Key Stage Two, Geography and History have been combined and spread over a four-year rolling programme.

This allows Holly, Maple and Pine classes to learn together. The Geography and History topics cover the Key Stage Two National Curriculum learning objectives.

	Autumn	Spring	Summer
Year A	History: Changes in Britain from the Stone Age to the Iron Age. Geography: North and South America.	History: The Roman Empire and its impact on Britain.	Geography: field work of human and physical features in the local area.
