

Maths

Curriculum Overview

In Key Stage Two, Maths coverage follows the *White Rose* mixed year group scheme of work.

Key Stage Two

	Autumn	Spring	Summer
Holly Class	Number – Place Value: Place Value Number – Four Operations: Addition & Subtraction Number – Four Operations: Multiplication & Division Measurement: Area	Number – Four Operations: Multiplication & Division Measurement: Length & Height Number – Fractions: Fractions Measurement: Mass & Capacity Number – Fractions: Fractions	Measurement: Time Number – Decimals: Decimals Measurement: Money Geometry: Properties of Shapes Geometry: Position & Direction Statistics: Graphs & Charts
Maple Class	Number – Place Value: Place Value Number – Four Operations: Addition & Subtraction Number – Four Operations: Multiplication & Division Measurement: Length, perimeter & area	Number – Four Operations: Multiplication & Division Number – Fractions: Fractions Number – Decimals: Decimals Number – Decimals: Decimals (Y4) Percentages (Y5)	Number – Decimals: Decimals (Y4) Money (Y5) Measurement: Time Statistics: Graphs & Charts Geometry : Properties of Shapes Geometry: Position & Direction Measurement: Converting units & Volume (Y5)
Pine Class	Number – Place Value: Place Value Number – Four Operations: Addition & Subtraction Number – Four Operations: Multiplication & Division Number – Fractions: Fractions Number – Four Operations: Multiplication & Division	Number – Four Operations: Multiplication & Division Number – Fractions: Fractions Number – Decimals & Percentages: Decimals Measurement: Area, perimeter & volume Number – F, D & P: Fractions, decimals & percentages	Number – Ratio: Ratio Number – Algebra: Algebra Geometry: Properties of Shapes Geometry: Position & Direction Statistics: Graphs & Charts Measurement: Converting units
